DONATION

In 1975, the Pebble Beach Company Foundation was born with a mission to provide our county's youth with the building blocks of success, starting with literacy and education. In the five decades since the inception, the Foundation has sought meaningful ways to support programs that focus on the educational needs of our community's youth. We believe that education changes lives and that every child in Monterey County deserves the chance to achieve their full potential. The Pebble Beach Company Foundation is the charitable arm of the Pebble Beach Concours d'Elegance, funding over 130 organizations. Scholarships honoring inspirational automotive leaders such as Phil Hill, "J" & Sally Heumann, John Lamm, Don Williams, and Sandra Button are awarded to students in automotive restoration, communications and marketing, sustaining the next generation of enthusiasts. The Foundation accepts stock transfers, classic cars, and legacy gifts.

Donations received by July 5th, 2027, will be acknowledged in the 2027 Pebble Beach Concours d' Elegance program.
